Château Mas de Pradié

We call the 18th century Château Mas de Pradié home for the first 5 days. Located in the heart of the Aveyron, the location provides a central base limiting the time for travelers in a vehicle and more time exploring. The château is set in beautiful woodland and endless greenery. Scents of wisteria and lavender and sounds of birdsong welcome travelers when they arrive.

The château is furnished in quintessential rustic French period features, walled gardens, stunning Event Hall and a seasonal outdoor swimming pool. Free WiFi.

Guests are provided a French breakfast daily before heading out. Lunch is up to the traveler while out on excursions to experience the local cuisine. On return to Mas de Pradié dinner and French wine are served each evening.

To complete the experience travelers spend 2 nights at the luxurious Château Mercure Figeac Viguier du Roy, in the village of Figeac. Free WiFi and breakfast included. Local train station and car rentals available.
